

Medication request
for Year 6 Camp 2022/2023

Dear Parents and Guardians.

In preparation for the Year 6 camp on 5, 6 and 7 December, please complete the following form for any medications that **must** be taken during the hours of the day camp. As per ESF policy I would urge you to only request essential medications be given.

We will ask that the medications arrive each morning of the camp in a well labelled bag with clear instructions and all the components necessary to administer.

For those students who already keep medication at school for use in emergencies, please complete the form again so that a clear copy can be kept in the camp folders with the teachers. I will organise for the medication to be given to the teachers responsible.

As always please don't hesitate to get in touch if you have any questions or you would like to discuss further.

Best wishes

Carmen Chan
