

Write and Publish with Elephant Community Press!

ECP's Creative Writing Workshop at **Kowloon Junior School**
starts **Monday, 2nd September** for Year 3-4 and
Friday, 6th September for Year 5-6!

Students in ECP's creative writing and book publishing workshops study a particular genre of story and then write their own to be published in an anthology with other students. Students learn to plan, draft, revise and edit like real authors do, and the final books (published before Christmas break) are sold to support local charities.

*We find some students benefit from a 30-min 1-on-1 session to provide individual support as they revise and edit their stories. If this is recommended for your child, the session will be ONLINE and billed at \$350/session.

In this collaborative creative writing workshop, the students will create a fictional town and explore what ordinary life looks like until one day, when the weather takes a turn for the strange. Inspired by Judi Barrett's *Cloudy with a Chance of Meatballs*, students in this workshop will each write from the perspective of a character in the town, sharing their first-hand accounts of "where they were when..."
