

Invitation to Phonics Workshop at KJS – Learn How to Support Your Child’s Reading at Home!

Dear Year 1 Families,

We hope this message finds you well! We are excited to invite you to a special workshop dedicated to our phonics program, *Get Reading Right*, at Kowloon Junior School. This workshop is designed to provide you with an understanding of how we teach phonics and reading to your children and to equip you with practical tools and strategies to support their learning at home.

Workshop Details:

Date: **Thursday**, September 26th

Time: 3:00 PM to 4:00 PM

Location: School Hall

This interactive session will include an overview of our phonics program followed by hands-on activities where you can engage with the games and resources used in our curriculum. These materials are specially designed to complement the learning done in class and will be a valuable addition to your at-home educational activities.

We kindly ask that each family be represented by one parent or guardian to ensure we can accommodate everyone comfortably. We recommend that the attending adult be the one who will primarily assist the child with reading at home. Please do not bring your children along to this workshop. It is for caregivers only.

We are looking forward to an engaging and informative afternoon with you and are excited to support you in playing a proactive role in your child’s reading journey!

Warm regards,
The Year 1 Team
